Green Grant Application Form

Do you have a sustainability initiative or would you like to run an event that promotes sustainability, zero carbon, biological diversity, or environmentally responsible behaviours, but lack the funding to get started? Swansea University Staff, Students and Students' Union Societies can apply for up to £250 from the University Sustainability Green Grant to kick start your initiative or event.

Name of initiative or event:

Name:

Student or staff email address:

Society name:

Briefly outline the proposed initiative or event you wish to seek grant funding for: date, location, amount of people you hope will attend the event or likely impact of your initiative and how it relates to environmental sustainability. You may wish to consider how your initiative/event will support impact for the [UN Sustainable Development Goals](#).

(200 words max)

How will you encourage staff/society members/students to attend or get involved?

(200 words max)

How much funding are you applying for? What will this be used for? (Please estimate total cost of the whole event/campaign)

Any addition information you wish to add to support the application

Signed:

Date:

Green Grant Notes

Making your application

If successful, in order to gain access to the funding you must be a member of University staff, or part of a Swansea University Students Union Society.

The University Sustainability Committee will consider applications at the quarterly committee meetings. We will inform you of our decision by replying to the application email. If you are successful, money will be transferred to the Students' Union bank account for you to access, or if you are staff, you'll gain access to the fund through budget code.

Once you have completed the form send it to sustainability@swansea.ac.uk

Spending your funding

You must spend the funding for the purpose specified in your application within a month of being notified of the funding decision. If you do not, the money will be reclaimed. If there is a change of plan and you wish to spend it on other events, you must reapply.

Requirements

All publicity and promotional material must acknowledge the support of Swansea University Sustainability Team by including the logo (below). Following the event, a short 200-word report with photos must be submitted to sustainability@swansea.ac.uk within 4 weeks of the event or initiative taking place.

Sustainability Swansea University Logo (for use on all publicity)
