Academic Career Pathways	<p>The Academic Career Pathways (ACP) scheme is designed to ensure that academic strengths across a broad range of activities, such as research, teaching, student experience, innovation, engagement, enterprise, leadership, management and broader collegiality are all appropriately recognised, developed, valued & rewarded. There are four career pathways:</p> <ul style="list-style-type: none"> • Education • Education & Research (Education) • Education & Research (Research) • Research <p>For more information on Academic Career Pathways, please click here.</p> <p>The criterion for each pathway provides indicative performance levels for academic staff at each level, from Lecturer to Professor, which will be used throughout the recruitment process. Evidence provided against each criterion will be considered in light of the stage of career, hours of work, individual circumstances or work-related activities outside of academia, such as in industry or a clinical setting. You are very welcome to provide context regarding any relevant individual circumstances such as career breaks, extended periods of leave or absence, or caring responsibilities, for example, and how these have had an impact on your career development.</p>
Main Purpose of Post	<ol style="list-style-type: none"> 1. Ensure NHS placement provision is in place, providing clinical service delivery at the same time as mentoring students. 2. <u>Education</u>: Able to design, deliver, evaluate and assess teaching to a high standard, engage effectively with students and collaborate with colleagues to inform the enhancement of own and others' teaching practices. 3. <u>Research</u>: Able to undertake and support research and innovation to a good standard. 4. <u>Innovation, Engagement & Enterprise</u>: Contributions in innovation, engagement or enterprise 5. <u>Collegiality, Leadership, Management & Service</u>: Able satisfactorily to contribute across a variety of administrative roles relating to academic activity
